

THE SPECTRUM GROUP

ADVANCING YOUR SUCCESS...

Navy

From organization and infrastructure to personnel and equipment, the Navy today faces unique warfighter, security, and humanitarian missions that require innovation, adaptability, mobility and efficiency.

The Navy Team at The Spectrum Group (TSG) delivers insight and experience to our clients and their goals, spanning the Office of the Secretary of the Navy and Chief of Naval Operations to the Navy's fleet operational commands and system commands. Our experienced team members deliver strategy and technology solutions and client services supporting logistics, procurement, personnel programs, training, information technology, maintenance, and the budget process.

Our team of Admirals, senior officers, and former senior executives in the defense and Navy commercial space provide our clients with the strategic planning, competitive intelligence, and access necessary for success.

Whether our clients are working to support modernization and acquisition, innovation or readiness initiatives, or strategic and joint operations, the Navy Team's experience, support and solutions help them meet their objectives.

Our mission is our clients' success. To learn more and to meet the Navy Team, please visit: www.spectrumgrp.com.
