## Mr. Erich Elkins Joins The SPECTRUM Group

Alexandria, Va. – March 11, 2024 – [The SPECTRUM Group \(TSG\)](#) is pleased to announce that [Mr. Erich Elkins](#) has joined its firm. Mr. Elkins delivers more than 35 years of experience supporting clients in navigating Asia Pacific, European, and multinational business domains and mitigating geopolitical risk. His expertise is focused on supply chain, robotics, training, defense, and resource industries.

“Erich brings exceptional experience, expertise, and integrity to TSG,” said [Andrew J. Campbell, TSG Executive Chairman](#). “He will expertly support our clients in critical U.S. and international operations, requirements, programming, and strategic planning initiatives and in the private sector. I’m grateful to have Erich on board and look forward to working together closely.”

“TSG is fortunate to have Erich join our team,” said [TSG’s President, Major General George Close, U.S. Army \(Ret.\)](#). “The expertise he brings from his strong background in global markets, supply chains, and defense domains, especially robotics, autonomous systems, and spatial computing solutions, will greatly enhance TSG’s [International](#), [M&A Support and Due Diligence](#), and [Security](#) practice area capabilities.”

Prior to joining TSG, Mr. Elkins served as Head of Industry Collaborations at the International Design Centre (IDC), a collaboration between the Singapore University of Technology and Design (SUTD) and the Massachusetts Institute of Technology (MIT). Previously, he was the Senior Director of Product Design and Development for Samsung Electronics in South Korea. Mr. Elkins also previously served as the Director of Industrial Design and Human Factors for Plantronics Corporation (now Poly), and as the Studio Manager, Germany and U.S. West Coast for Siemens AG.

Mr. Elkins' work spans multi-disciplinary domains for corporations, academia, and research entities across Eastern Asia and Australia, Europe, and the U.S. He leverages his extensive expertise and professional network to provide key insights to clients on economic, technological, and geo-political developments and trends, facilitating client strategic initiatives focused on supply chain, manufacturing, and dual-use technology adoption/conversion.

[The SPECTRUM Group \(TSG\)](#) is a premier Washington, D.C.-based strategic consulting, government relations, and professional services firm. Since 1993, SPECTRUM’s diversified practice has helped U.S. and global clients achieve their defense, security, and government business objectives.

Mr. Elkins can be reached at (703) 683-4222 or [eelkins@spectrumgrp.com](mailto:eelkins@spectrumgrp.com).
