

## **BG Vince Malone, USA, Ret.**

**Teams: Army, Defense & Aerospace,  
Government Relations, International, Security**

### **Expertise Areas**

- Defense Systems Acquisition Management
- Defense Planning, Programming, Budgeting & Execution
- Armaments; Ammunition; Wheeled / Tracked Vehicle Systems
- Research, Development, Test, and Evaluation (RDT&E)
- Army and Defense OTAs and Technology Accelerators
- DAIWIA Level III Certified - Program Management

### **Professional Experience**

General Malone supports clients throughout the research, development, production, and post-production lifecycle, with a focus on training, readiness, armaments, ammunition, R&D, and international domains.

Prior to joining The SPECTRUM Group, General Malone served a 32-year U.S. Army career. As Joint Program Executive Officer, Armaments and Ammunition (JPEO A&A), he held responsibility for 400-plus development, production, and end-of-life programs with a \$4B-plus budget, and concurrently served as Commanding General of Picatinny Arsenal. Previously, as Deputy Commanding General of Army Research, Development & Engineering Command (RDECOM) - now Combat Capabilities Development Command, U.S. Army Futures Command (DEVCOM / CCDC) - he managed international technology co-development opportunities with U.S. partner nations across 11 global centers.

General Malone served as Deputy Director for Plans, Programs & Resources, co-leading working group development of the Army's 5-year funding outlook and \$80B budget request for its equipping and sustaining portfolios. As Project Manager, Training Devices, Army PEO Simulation, Training & Instrumentation (PEO STRI), he managed the \$500M modernization of the Army's premier force-on-force training centers. General Malone also previously served as Portfolio Director, Soldier & Maneuver Systems, U.S. Army Headquarters; Division Chief, Plans & Integration, Army Central Command Support Element - Afghanistan; and as a legislative liaison for the Army Weapons & Tracked Combat Vehicles (WTCV) portfolio.

In addition to his work at The SPECTRUM Group, General Malone serves as Executive Director of the Training & Readiness Accelerator (TRex II) OTA prototyping consortium supporting Army PEO STRI.
