Brigadier General Timothy "Tim" Coffin, U.S. Army (Ret.) Joins The SPECTRUM Group

Alexandria, Va. – July 15, 2024 – [The SPECTRUM Group \(TSG\)](#) is pleased to announce that [Brigadier General Timothy "Tim" Coffin, U.S. Army \(Ret.\)](#) has joined its firm. General Coffin delivers more than 35 years of experience as a space, missile defense, and cyber domain subject matter expert, leading, working in and advising on Department of Defense (DoD) and U.S. partner nation space activities, technologies, and warfighting.

"Tim brings unparalleled experience, expertise, and integrity to TSG," said [Andrew J. Campbell, TSG Executive Chairman](#). "He will expertly support our clients in space-focused operations, defense, communications, and related domains. I'm grateful for Tim's years of service to our country and look forward to working together closely."

Prior to joining TSG, General Coffin served as Managing Director, Space Warfighting Division, MITRE, supporting space acquisition and operations for the U.S. Space Force, Secretary of the Air Force directorates, U.S. Space Force (USSF), Space Systems Command, Space Training and Readiness Command, Space Warfighting Analysis Center, Space Security and Defense Program, Joint Task Force Space Defense, and the Space Rapid Capabilities Office. Earlier, he served as a Senior Advisor for Space Domain Awareness (SDA) for USSF Space and Missile Command, Space Domain Awareness Division.

"TSG is fortunate to have Tim join our team," said [TSG's President, Major General George Close, U.S. Army \(Ret.\)](#). "The expertise he brings from his distinguished military and private sector career across space, defense, and technology domains enable him to support our clients' global work in critical ways."

General Coffin's 35-year U.S. Army career included his serving as Commanding General, White Sands Missile Range, where he led T&E for complex weapons and intelligence systems, laser and directed energy, and hypersonics. Earlier he served as Deputy Commanding General, Joint Functional Component Command for Space (JFCC SPACE), USSTRATCOM, and as Deputy Commanding General, Operations, Space and Missile Defense Command / Army Strategic Command (SMDC/ARSTRAT). Programs he has supported include F-35, Patriot, AIAMD, SM-6, SBD, and ICBM missile defense (GMD).
