## Brigadier General Vince Malone, U.S. Army (Ret.) Joins The SPECTRUM Group

Alexandria, Va. – July 2, 2024 – [The SPECTRUM Group \(TSG\)](#) is pleased to announce that [Brigadier General Vince Malone, U.S. Army \(Ret.\)](#) has joined its firm. General Malone delivers more than 35 years of experience leading and facilitating the Department of Defense (DoD) and U.S. Army research, development, production, and post-production lifecycle, with a focus on training, readiness, armaments, ammunition, and international domains.

“Vince brings unparalleled experience, expertise, and integrity to TSG,” said [Andrew J. Campbell, TSG Executive Chairman](#). “He will expertly support our clients in Army and DoD defense systems, from development to execution, deployment, and beyond. I’m grateful for Vince’s years of service to our country and look forward to working together closely.”

Prior to joining TSG, General Malone served a 32-year U.S. Army career, culminating in his serving concurrently as Joint Program Executive Officer, Armaments and Ammunition (JPEO A&A) and as Commanding General of Picatinny Arsenal. Previously, as Deputy Commanding General of Army Research, Development & Engineering Command (RDECOM) - now Combat Capabilities Development Command, U.S. Army Futures Command (DEVCOM / CCDC) - he managed international technology co-development opportunities with U.S. partner nations across 11 global centers.

“TSG is fortunate to have Vince join our team,” said [TSG’s President, Major General George Close, U.S. Army \(Ret.\)](#). “The expertise he brings from his distinguished military and private sector career across defense technology domains enable him to support our clients’ global work in critical ways.”

General Malone also previously served as Deputy Director for Plans, Programs & Resources; Project Manager, Training Devices, Army PEO Simulation, Training & Instrumentation (PEO STRI); Portfolio Director, Soldier & Maneuver Systems, U.S. Army Headquarters; Division Chief, Plans & Integration, Army Central Command Support Element - Afghanistan; and as a legislative liaison for the Army Weapons & Tracked Combat Vehicles (WTCV) portfolio.

In addition to his work at The SPECTRUM Group, General Malone serves as Executive Director of the Training & Readiness Accelerator (TRex II) OTA prototyping consortium supporting Army PEO STRI.

[The SPECTRUM Group \(TSG\)](#) is a premier Washington, D.C.-based strategic consulting, government relations, and professional services firm. Since 1993, SPECTRUM’s diversified practice has helped U.S. and global clients achieve their defense, security, and government business objectives.
