

## Mr. Ahmed Selim

Teams: Defense & Aerospace, International,  
Marine Corps, Naval & Missile Defense, Security

### Expertise Areas

- U.S. and International Business Development
- Electronic and Mission Systems
- Middle East and North Africa (MENA)
- Program and Project Management
- Fluent in Arabic

### Professional Experience

Mr. Selim delivers more than 30 years of global defense strategy and business development expertise focused on multinational and Middle East North Africa (MENA) programs. Leveraging this and his substantial program and project management experience, he supports clients in creating and implementing business development strategies, developing strategic partnerships, and expanding global market share while successfully navigating global regulations.

Prior to joining The SPECTRUM Group (TSG), Mr. Selim served a 27-year career at Northrop Grumman (NG), culminating in his serving as the Global Business Development Director for Northrop Grumman Mission Systems (NGMS). Previously, he served in multiple MENA, international, and mission systems / electronic systems business development executive roles for NGMS and Northrop Grumman Electronic Systems (now NGMS), including Director of Business Development, MENA Region and Director of International Business Development, as well as Program Manager for the CG-47 Ticonderoga Class Aegis Cruiser program upgrade for the U.S. Navy. Mr. Selim previously served in the U.S. Marine Corps, including as a Forward Observer and on an Interrogator Translator Team, including an Iraq combat tour.

In addition to his work at TSG, Mr. Selim serves as a Managing Partner of Augustus Global Holdings and as the CEO of Augustus Global Defense, one of its subsidiary firms.
